She never showed. By mid-February, he'd begun to be alarmed. Early. The Isaac Asimov clones, once they grow up, simply won't live in the same social environment I did, won't be subjected to the same pressures, won't have the same opportunities. What's more, when I wrote, I just wrote? no one expected anything particular from me. When my clones write, their products will always be compared to the Grand Original and that would discourage and wipe out anyone. "Well," Song admitted, "it wasn't a bad inference, at that. But the holes I saw were not punched through. They were eaten away." She waited for Lang to protest that the dome bottom was about as chemically inert as any plastic yet devised. But Lang had learned her lesson. And she had a talent for facing facts. He stood up and went in the bathroom. The light came on and I heard water running. The thing sat in. "When we were bora," he said, and his eyes focused again, "we were joined at the back. But I grew and he didn't. He stayed little bitty, like a baby riding around on my back. People didn't like me . . . us, they were afraid. My father and mother too. The old witch-woman I told you about, she birthed us. She seemed always to be hanging around. When I was eight, my parents died in a fire. I think the witch-woman did it. After that I lived with her. She was demented, but she knew medicine and healing. When we were fifteen." "I have an idea on that," McKillian said. 'I've had it in mind to do some studies around the dome to horizon until you can't tell one from the other.
