"But witches aren't always chaste, are they? Maybe that's what the Masters are afraid of. Maybe celibacy isn't as necessary as the Rule of Roke teaches. Maybe it's not a way of keeping the power pure, but of keeping the power to themselves. Leaving out women, leaving out everybody who won't agree to turn himself into a eunuch to get that one kind of power ... Who knows? A she-mage! Now that would change everything, all the rules! It's my horse needs a good bed; he's tired. I'll sleep in the barn and be off in the morning. Cows are a pleasure to sleep with on a cold night. The pallor of the werelight had faded, drowned in a fainter. .So Diamond, instead of learning spells and illusions and transformations and all such gaudy tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a narrow back street of the old city, memorizing long, long lists of words, words of power in the Language of the Making. Plants and parts of plants and animals and parts of animals and islands and parts of islands, parts of ships, parts of the human body. The words never made sense, never made sentences, only lists. Long, long lists. "He won't come here?" .She thought about the School, where she had been so briefly. From here, under the eaves of the Grove, she saw it as stone walls enclosing all one kind of being and keeping out all others, like a pen, a cage. How

Then she looked at her companions, and after a while she smiled a little. Turning back to Medra, she said, "We're prisoners, and so freedom is a thing we study. You came here through the walls of our prison. Seeking freedom, you say. But you should know that leaving Roke may be even harder than coming to it. Prison within prison, and some of it we have built ourselves." She looked at the others. "What do you say?" she asked them.."That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail, "We're coming into Thwil Bay now. In the best of them, Otak had towered up ten feet tall and struck Sunbright into a lump of coal with lightning, before foaming at the mouth, turning blue, and collapsing in a heap..He went on showing his wares and joking with the women and children.
