Remember that direct, interactive personal communications are one of our most valuable heritages. Use your license wisely. Do not abuse the privilege of free speech.."The second thing I have to announce tonight is that such a commitment has now been made. As I mentioned a moment ago, this subject has been under study for a considerable period of time. I can now inform you that, three days ago, the President of the United States and the Chairman of the Eastern Co-Prosperity Sphere signed an agreement for the project which I have briefly outlined to be' pursued on a joint basis, effective immediately. The activities of the various national and private research institutions and other organizations that will be involved in the venture will be coordinated with those of the North American Space Development Organization and with those of our Chinese and Japanese partners under a project designation of Starhaven."..7. Ike and I no longer breathed. Everything in all creation except that arrow had ceased to exist for us. In our eyes it had become a thunderbolt?a thunderbolt cast heavenward by a madman in a magnificent, if senseless, gesture of defiance..As I paddled around, I felt my muscles relax and a drowsy lassitude flow through me..Let me give you a quick rundown of this exciting interactive game. It is the year 2783. Man has reached out to settle thousands of planets scattered across the galaxy. Then, suddenly, the galaxy is invaded by a horde of alien beings, the Zorphs. They enslave all planets in their path. Those that resist are destroyed without mercy. You, as Captain of the Avenger, the great Terran warship, will range interstellar space, seeking out and destroying the forces of Zorph.. "I don't recall seeing your name anywhere. Miss Nesbitt said it was Andrew Detweiler?" "Good morning," I said and showed him my ID. He blanched.
